About our Sponsors

The National Health Collaborative on Violence and Abuse (NHCVA), brings health and allied professional organizations together, working collaboratively to:

- Advance health policy at the state and federal level.
- Develop the capacity of health professionals and the infrastructure of health systems to prevent and address the harms of current or past exposure to violence and abuse.
- Partner with communities, advocacy organizations and other groups to create societal and cultural change that reduces risks for violence and abuse.

www.nhcva.org

Futures Without Violence (FUTURES), a member of NHCVA, strives to reach new audiences and transform social norms. FUTURES trains professionals such as doctors, nurses, judges, and athletic coaches on improving responses to violence and abuse. Additionally FUTURES works with advocates, policymakers, and others to build sustainable community leadership and educate people everywhere about the importance of respect and healthy relationships.

About our Sponsors

The Elder Justice Coalition (EJC), through national and grassroots advocacy commits to:

- Increasing public awareness at the local, state, and national level about the tragedy of elder abuse, neglect, and exploitation;
- Build support for the Elder Justice Act in the Senate and House of Representatives;
- Monitor, and influence if necessary, any relevant legislation or regulations that impact the prevention of elder abuse, neglect, and financial exploitation.

www.elderjusticecoalition.com

The Alzheimer's Impact Movement (AIM) is a separately incorporated advocacy affiliate of the Alzheimer's Association. AIM works to secure policies to overcome Alzheimer’s and dementia, including increased investment in research, improved care and support, and development of approaches to reduce the risk of developing dementia.
